JARED MICHAEL FRY
Composer

An Emmy-nominated composer, Jared Michael Fry is a burgeoning talent in the realm of film scoring who marries fresh perspectives with deep musical intuition to create soundscapes that elevate cinematic narratives. His passion and innovation, evident in each composition, promise a bright future in the industry, making him a name to watch and collaborate with.

Jared's recent credits include the Brad Pitt–starring Paramount feature ***Heart of the Beast***, directed by David Ayer, and the Jason Statham action film ***A Working Man***, also directed by Ayer, which reached #1 at the box office. Additional recent work includes a co-score on ***The Beekeeper*** for Amazon MGM Studios, Miramax, and Cedar Park Entertainment, also directed by Ayer, which performed strongly in theaters & on streaming formats worldwide in 2024.

He's a skilled multi-instrumentalist playing guitars, synthesizers, and programming drums & has lent his music expertise to a plethora of film and television productions, including hit films such as ***The Flash, Borderlands, Red Notice, Blacklight, Mortal Kombat, IT Chapter 2***, ***Robin Hood***, ***Hellboy***, ***Berlin Station 3,*** and ***Transformers: The Last Night***.

Other credits include Streetlight Films' ***Safe House,*** directed by Paul Street, which won the Audience Award for *"Best Feature Film" at the Marina Del Rey Film Festival*. He also recently created the textured, melodic, and acoustic score for the short film ***To the Muse,*** which was nominated for *Best Short at the Orlando Film Festival* in addition to screening in competition at the Oaxaca Film Festival, Four Corners Film Festival, and Denver Film Festival.

Previously working as a staff composer for Hans Zimmer's Bleeding Fingers Music, Jared earned a 2019 News and Documentary Emmy nomination for *Outstanding Music and Sound* for his score for BBC and PBS's critically acclaimed nature series ***Super Cats.*** He also worked on ***Planet Earth II,*** which was nominated for a Primetime Emmy for *Outstanding Music.*

Known for his creativity and drive to push the boundaries of music and sound design, Jared also collaborates with World Renowned recording artists on their record albums. He's currently collaborating with ***Empire of the Sun*** frontman Luke Steele on exciting new music that blends Jared's dramatic orchestral music with their pop electronic sound.
